

SPEAKER LUEDTKE: That is right. How it got on there I don't know Senator Rasmussen. It was inadvertently checked and passed over just as you didn't find it out. So, it does not belong on the consent calendar. Clearly. All right, Senator Burrows are you handling the committee amendments?

SENATOR BURROWS: Yes, and yes there are committee amendments.

SPEAKER LUEDTKE: Proceed with the handling of the committee amendments then Senator Burrows.

SENATOR BURROWS: The committee amendments on this bill, it was discussed in committee, there was no controversy involved in any precept of the bill but there was some fear that the bill without the committee amendments might allow the Department of Agriculture to go into a plan under this authorization with federal insecticide-fungicide and rodenticide act as amended and the committee amendments specifically prohibits the Department of Agriculture from making agreement under this act. I would move the adoption of the committee amendment this solves the problems or any questions that were involved by the committee members.

SPEAKER LUEDTKE: Senator Clark.

SENATOR CLARK: Mr. President, I certainly agree with the committee amendments. I think that they are good amendments.

SPEAKER LUEDTKE: All right, would everyone who does not want to speak on LB 135, these lights have been on for the past 25 minutes or so. Those who do not want to speak on this bill turn your light off, if you want to speak leave it on. Senator Rasmussen do you wish to speak on this bill? Senator Venditte. Senator Koch, did you want to speak on this bill? Senator Koch. Senator Clark, go ahead.

SENATOR CLARK: You have to adopt the committee amendments first.

SPEAKER LUEDTKE: Yes, speak on the bill after the adoption of...any further discussion on the committee amendments on LB 135? Senator Koch? No. All right, the motion then is the adoption of the committee amendments. Senator Burrows, do you want to close?

SENATOR BURROWS: I move that we adopt the committee amendment.

SPEAKER LUEDTKE: Motion to adopt the committee amendments to LB 135. All those in favor vote aye, those opposed vote nay. Have you all voted? Record the vote.

CLERK: 25 ayes, no nays on the adoption of the committee amendments Mr. President.

SPEAKER LUEDTKE: The committee amendments on 135 are adopted. Speaking to the movement of the bill then, Senator Burrows.

SENATOR BURROWS: Mr. Speaker, members of the body this bill allows the Department of Agriculture to enter into contracts to combat insect outbreaks and provide funds for the state share of the cost that will not be covered through other available funds for the agreement. An amendment was added to make
